<b>Shrub maintenance</b>	Shrubs will be trimmed back in June, August and October. If the shrub is in flower - or about to come into flower - they will not be pruned until flowering is complete.
<b>Weeding</b>	In April, June and September all weed growth on hard surfaces will be treated with weed killer. Once the weeds have died down they will be removed at the next visit or treated again if weed treatment was not successful.
<b>Hard communal surfaces – sweeping</b>	– Once every four weeks the contractor will sweep the car park (CHS areas only).
<b>Litter control</b>	The contractor shall remove litter every four weeks from all soft and hard external communal areas.
<b>Leaf clearance</b>	Between October and January leaves will be cleared from communal areas see plan when the operative is on site. Heaps of leaves shall be cleared on the same day and not left onsite.
<b>Grass cutting</b>	The grass cutting season starts in March and continues through to late November time (weather depending). The contractor shall remove grass cuttings from site

**What is not covered within the gardening service?**

**Tree works** – CHS may only assist with tree works if a tree becomes a health & safety issue.

**Improvement planting** – Any improvement planting would need to be agreed with the relevant Housing Officer.

**How do I know when the gardeners are attending?**

The gardening schedule is available to view at [www.countrywide-chsgroup.info](http://www.countrywide-chsgroup.info) . You will find details on this link if the schedule is behind programme due to weather/ vehicle break or sickness. .

The gardening service is delivered on a 'week commencing' basis only.
